WELCOME IN AghARTA JAZZ CLUB

The club, carrying on by 2HP Production (which is also the owner of ARTA Records and ARTA Music trademarks), is opened daily since 29 September 1991, the day following the death of one of the pioneers and innovators of modern jazz Miles Davis and named after his important album from the 1970s. You can visit the club any evening and listen to a concert performed by top Czech musicians.

AghaRTA also offers visitors the chance to make a selection from its comprehensive catalogue of CD jazz recordings by a number of international publishers including the largest Czech jazz label ARTA Records. The club's shop and bar are open daily until midnight.

Jazz activities of AghaRTA also include the annual AghaRTA Prague Jazz Festival which has featured various distinguished artists, for example: The Brecker Brothers, Chick Corea, Candy Dulfer, Jan Garbarek, Diana Krall, Branford Marsalis, Wynton Marsalis, John McLaughlin, Pat Metheny, Oregon, Maceo Parker, Courtney Pine, John Scofield, Wayne Shorter, Spyro Gyra, McCoy Tyner, Miroslav Vitous, Mark Whitfield, Yellow Jackets.

Činnost klubu AghaRTA Jazz Centrum provozovaného společností 2HP Production (jež je také vlastníkem obchodních značek ARTA Records a ARTA Music) byla zahájena 29. září 1991, tedy následující den po úmrtí jednoho z pionýrů a inovátorů moderního jazzu Milese Davise. Název AghaRTA nese po jeho důležitém albu ze sedmdesátých let. Klub můžete navštívit každý večer a vyslechnout si zde koncert nejlepších českých jazzových hudebníků.

AghaRTA nabízí svým návštěvníkům také výběr z bohaté nabídky jazzových CD nahrávek mnoha mezinárodních vydavatelství včetně největšího českého jazzového labelu ARTA Records. Obchod i bar jsou otevřeny denně do půlnoci.

Jazzové aktivity AghaRTA Jazz Centra zahrnují také pořádání celoročního AghaRTA Prague Jazz Festivalu, který již v Praze představil řadu vynikajících umělců.
